

Website Use Policy and privacy policy on Website

This is where we inform you about how we collect, use and protect the information you may provide to us through this website (the "Site" or "Site"). Use of cookies on our site

Cookies are small text files containing information that the website

Are stored on your computer or mobile device when you browse the site. In these files, for example, store information about your settings. They are mainly used to make it easier for you to use the site, or technically allow you to function. Our website uses cookies in particular to provide users with better user experience and also to ensure and improve the performance and functionality of this site.

It should be noted that cookies can only be stored on your device, if you allow them to do so. We use different types of cookies to operate our website, which you can manage directly in your browser.

We want to assure you that we do not collect any information with cookies that allows your direct identification. However, cookies are necessary to provide basic functionalities such as logging in.

In accordance with Section 89(3) of Act No. 127/2005 Coll., on electronic communications, as amended, we hereby inform you of the scope and purpose of the processing of cookies.

What cookies do we use?

We use cookies on our website:

- to ensure the technical functionality of the site,
- enabling analysis of traffic and use of the site,
- used to optimise offers and for advertising purposes (including remarketing), measurement and targeting of advertisements.

Cookies and similar technologies, including cookies third party cookies

We also allow third parties to place cookies on our site, which may use:

- to collect data about your behaviour on our site and on the website. third parties,
- to display personalised offers and targeted advertising within advertising and social media on third party websites,
- to connect with social networking sites such as Facebook, including to display customized offers and targeted advertising on these social networks; and third-party websites

Through cookies and similar identifiers, third-party vendors, including Google, serve ads based on a user's previous visit to our website.

Google Analytics

We also use third-party software on our website, such as Google Analytics for traffic analysis. This software may use its own cookies. You can read about the terms of use of Google Analytics here. If you do not want to participate in Google Analytics tracking on any websites website, please visit <http://tools.google.com/dlpage/gaoptout>

Cookie settings

You can change your cookie settings in your web browser. Cookie settings For example, you can block cookies by checking an option in your browser settings that disables the placement of all or some cookies. These settings usually can be found in the "Options" or "Preferences" menu of your web browser. The following links may help you with the settings:

Google Chrome web browser: [Clear, enable, and manage cookies in Chrome - Computer - Google Chrome Help](#)

Mozilla Firefox web browser (type "cookies" in the search bar): <https://support.mozilla.org/>

Internet Explorer web browser: <http://support.microsoft.com> (type search bar type "cookies")

Safari Internet browser: <http://www.apple.com/support/> (in the search bar type "cookies")

You can opt out of Google's use of cookies by visiting Google Ads Settings <https://adssettings.google.com/authenticated?hl=en>

In addition to permanently deactivating the storage of cookies, it is possible to manually delete these files from your computer (usually using the keyboard shortcut: CTRL + SHIFT + Delete) after each each time you visit the website.

Cookies are also generally used by various web applications and systems that optimize the composition of the advertising offer you receive on various websites. You can easily set up these services by visiting

<http://www.aboutads.info/choices>

It should be noted, however, that this setting will not ensure that all advertising offers. These advertising offers will still appear, they just won't be more accurate targeted to your preferences.
